

Web service is located in <https://kuljetukset.taxipoint.fi>

If you want to use the service in English, contact Taxi Point (09) 8256 5566.

Logon to service with your username and password **test**.

Your new username is formed automatically from the six first letters of your surname/family name (or full name if six or less letters) and the two first letters of your first name (for example John Exampleton = exampljo). There are exceptions to this rule, so if you cannot logon this way, please contact Taxi Point Oy. There may be some test orders in your profile, but you can dismiss them. When you logon, please verify and edit your contact information and logout.

In log in –screen press “Unohtuiko salasanasi/Password forgotten” –link.

Write your username in the applicable field and press “Tilaa/Order” –link.

Your correct password is sent to the e-mail address in your contact information and you now can logon to service. If you do not have an e-mail address, please contact Taxi Point.

When you logon, you are directed to your control panel, where you instantly can see all your open transportation orders. Here you can edit and remove them by pressing “Muokkaa/poista / Edit/Delete” –button next to your orders.

Here you also can add transportation orders by adding required information in correct fields.
